**YOUR FIRST TRIP
TOGETHER**

The first time you'll enjoy a drive on Stelvio you'll discover its state-of-the art technology, both in infotainment and safety systems. Stelvio First Edition is configured with the best array of safety systems as the Integrated Braking System, the Forward Collision Warning, the Autonomous Emergency Brake and the Lane Departure Warning. As standard, this first and exclusive version offers the evolved Alfa Romeo infotainment with 8,8" display and Navi 3D, the 7" TFT instrument cluster, rear view camera with dynamic gridlines and Pack Sound Theatre. Furthermore, this layout offers full electric front heated seats with memory function, the power tailgate and Automatic High Beam System.
