

THE ALL-NEW CAPTIVA

CHEVROLET 

# ACHIEVEMENT FAVORS THE BOLD.

**THE ALL-NEW CAPTIVA** is ready to take you on the journey to your next success. This inspiring new model boldly embodies the "3S" philosophy of Chevrolet's SUVs: **Style** – sleek design, inside and out. **Space** – a roomy, comfortable and versatile place for passengers and cargo. **Smart Technology** – an impressive array of purposeful features and capabilities.

All of these facilitate the lifestyle you aspire to achieve.

**1.5-Liter Turbo-charged Petrol Engine** rated at 143 hp and 250 Nm of torque at 2,400 rpm. Eagerly responds to driver demand.

**Continuously Variable Transmission (CVT)** delivers smoother acceleration and deceleration to provide driving satisfaction and fuel economy.

**Suspension** McPherson front suspension and rear multi-link independent suspension system with stabilizer bar provides a smooth ride and excellent road holding.

**FIND NEW ROADS**

## STYLISH DESIGN

An all-new interior and exterior design. Every detail reflects today's next-level lifestyle. Boost your power of personal expression.

**1. New design LED Projector Headlamps with Daytime Running Lights (DRL)** Sleek LED headlamps add a stylish look to every journey.

**New Front Grille.** Signature Chevrolet appearance conveys power and sporty style.

**2. Walk Me Home** Safely lights your way after exiting the vehicle.

**3. Panoramic Sunroof One-Touch Electronic System** A stylish look – outside and inside. The panoramic sunroof transforms Captiva's sleek interior, turning every trip into a scenic journey.

## STYLISH DESIGN

Refined interior craftsmanship.  
The perfection of passenger room with more space, versatility and quietness.

**1. 7-inch Digital Color TFT Console (Dashboard with full-color cluster)** makes driver information more vivid and easy to see.

**2. Driver Seat, 6-Way Power Adjustable** helps to make the journey more comfortable, more premium.

# SPACIOUSNESS

Life-sized space for passengers and cargo, adjustable to fit every lifestyle. Making every moment on board comfortable and accommodating.

**1. Capacity for up to 7** Premium cabin offers expansive legroom and headroom in the second row and comfortable seating throughout.

**ISOFIX child safety seat latch points** Designed to meet international standards.

**4 USB ports in 3 rows** Able to charge electronic devices on the go, allowing uninterrupted fun.

**2. 2-row seating** New design and longer wheel base allow more legroom and comfort for everyone.

**3. 3-row seating** New design with wider space provides comfortable seating for every passenger.

## ABOUT SAFETY

# SMART TECHNOLOGY

Advanced safety features help keep everyone secure on the road.

-  **360° View Camera with Rear Parking Guidelines** helps to increase safety and confidence when maneuvering into narrow spaces.
-  **Electronic Stability Control (ESC)** Braking system and engine power reduction help prevent your vehicle from skidding out of control.
-  **Anti-lock Braking System (ABS)** helps prevent wheels from locking in place during panic stops or other adverse driving conditions.
-  **Electronic Brake Force Distribution (EBD)** helps you maintain control by applying just the right amount of braking needed to each wheel when slowing down.
-  **Brake Assist (BA)** helps to shorten the braking distance in emergencies.
-  **Hill Start Assist (HSA)** prevents rolling back on a steep incline.
-  **Traction Control System (TCS)** helps prevent the wheels from spinning in slippery conditions.
-  **Emergency Stop Signal (ESS)** Rear vehicle brake lights help alert following motorists to any potential hazard up ahead.
-  **Tire Pressure Measuring System (TPMS)** checks the air pressure of individual tires and warns you if your tires are over- or under-inflated without getting out of the car.
-  **Front and Rear Park Assist** helps the driver park and avoid crashing into nearby objects.
-  **SRS-Airbags** 4 front and side airbags for your protection.

# SMART TECHNOLOGY

Experience more connectivity, comfort and entertainment on the way to your next achievement. An array of advanced technologies and a 10.4-inch infotainment touchscreen offers increased control over your journey.

**1. Chevrolet Link** Stay connected even when you're on the road with seamless technology connecting the phone with a 10.4-inch infotainment touchscreen.

**2. 9 Infinity by Harman Speakers** Provide premium sound throughout the cabin, designed to please the ears of audio lovers.

**3. Electric Power Steering (EPS)** Precise and confident handling for every journey. **The multi-function steering wheel** allows convenient control over audio and connectivity. **Cruise Control** enables a more comfortable driving experience.

**4. Electronic Parking Brake (EPB) and Auto Vehicle Holding (AVH)** Prevent the vehicle from creeping without holding the brake, providing more convenience.

**5. Passive Entry Passive Start (PEPS)** Keyless entry with Immobilizer.

**6. Push Start** Easily start the engine with your fingertip instead of inserting a key.
