

Date

02 December 2019

Dear Sir, dear Madam,

Many thanks for your interest in our exclusive Porsche products and for configuring of your individual vehicle in the Porsche Car Configurator.

The Porsche brand is the embodiment of sporty driving and the matching mindset. Our vehicles represent not only uncompromising innovation but through the combination with past values the typical characteristics sportiness, technology, design, agility and safety have also been merged into harmonious unity that is alive in every model.

We would be happy if the purchase offer generated by your personal configuration were to appeal to you. The offer is a noncommittal summary of your individual configuration based on the respective recommended retail price of the corresponding model.

Detailed information and applying conditions are available at your Porsche Centre that will also gladly advise you on any issues concerning financing, leasing, insurance and accessories.

You can also save your configuration or send it directly to your preferred Porsche Centre.

Further information on Porsche Centres near you is available at www.porsche.com

Best regards,

Your Porsche Internet Team

Porsche Panamera Turbo S E-Hybrid

Standard equipment

Power unit

- 4.0 litre twin-turbo V8 engine: maximum power 404 kW (550 hp), maximum torque 770 Nm, electric machine, maximum power 100 kW (136 hp), maximum torque 400 Nm. Total system performance 500 kW (680 hp), maximum torque 850 Nm.
-

Drive train features

- Water cooled with thermal management
 - Turbochargers with twin-scroll turbines
 - Charge-air cooling
 - Direct fuel injection (DFI) with central injector position
